Kick Off Summer Celebrations with Lemons

Use Megan Roosevelt's fun recipes for every summertime celebration under the sun

(Santa Paula, CA) – June is here, and is bringing an endless array of summertime festivities with it. Between Father's Day, summer weddings and graduation parties, Limoneira spokesperson Megan Roosevelt has put together an easy and festive selection of recipes and home décor ideas to kick off the summer season in style – with lemons, of course.

For a helpful demonstration, you can watch Megan create the recipes below [here](#) on the Limoneira YouTube channel. Don't forget to subscribe – videos with more wonderful tips and tricks not detailed in this release will be added to the channel each Friday throughout the month.

Limoneira has also linked with additional global chefs and mixologists, nutritionists, and beauty lifestyle and green cleaning experts that share their knowledge with the customers of our grocery and food service partners around the world. Their biographies can be found on [Limoneira's website](#).

Take a look at some great new examples below.

Meyer Lemon Salmon & Veggie Kebabs – Because what is summer without BBQ? This easy and healthy treat is perfect for that Father's Day dinner.

Ingredients:

- ½ lb salmon
- 2 Limoneira meyer lemons
- 1 zucchini
- 1 tbsp cooking oil
- 2 tbsp cilantro

Directions: Slice zucchini and lemons. Then dice cilantro and add to the cooking oil with juice from ½ of a meyer lemon. For each kebab, use 4 pieces of salmon and 3 slices each of zucchini and lemon. Layer on a barbeque safe skewer and top with some lemon-cilantro oil. Grill for about 15 minutes, rotating 2-3 times until the salmon is fully cooked. Enjoy!

Lemon Coconut Pops – Use this treat to celebrate your favorite new graduate, or just to ring in the summertime.

Ingredients:

- 2 cups coconut milk (from a can)
- ½ cup fresh lemon juice
- 2 tbsp raw local honey

Directions: Whisk all ingredients together and pour into popsicle mould. Freeze for 6+ hours – then enjoy!

Lemon Floral Arrangement – Because no summertime party or wedding is complete without some easy, breezy, lemon-themed décor!

You'll need:

- 1 wide-mouthed mason jar or clear glass vase
- Sliced Limoneira lemons
- Flowers of your choosing

Directions: Add lemon slices to jar/vase. Add flowers, and use lemon slices to fill in any remaining gaps. Fill with water and place on a table to brighten up any summer celebrations!

Each month, Megan will be featuring another wonderful facet of citrus living. Subscribe to [Limoneira's Youtube channel](#) for more information on the many ways this endlessly versatile fruit can improve life inside the home and beyond.
